BAR HILL TOY LIBRARY

The Toy Library is open on alternate Friday afternoons during term time, from 2.00 - 4.00 in the Sunshine Playgroup Building. Sessions are informal; parents are welcome to have a coffee and a chat whilst the children play with and select the toys they wish to take home. There is a small charge for membership and a borrowing fee for each item per fortnight. New members are always welcome.

We have temporarily mislaid the record of whereabouts of the following toys and would be grateful if their borrowers could return them:-

Fisher Price roller skates, Fisher Price cash register, Duplo train set, Matchbox play slide and musical instrument set.

Next sessions:-
Friday June 3rd
Friday June 17th
Friday July 1st
Friday July 15th - last session of term - no borrowing.

We will not be loaning toys over the summer holiday period, but there will be several play days, as last year, when the toys will be available for use - more information next month.

If you require further information about the Toy Library or its activities, please contact me on the number below.

BAR HILL MOTHER AND TODDLER GROUP

As from June 7th we are starting a new younger toddlers session on Tuesday mornings 10 - 11.30 for children from 12 - 18 months old only. These sessions will be run on similar lines to present Toddler sessions but with activities geared to the slightly younger age group. Then once the child reaches 18 months approx he or she will have to transfer to one of the existing sessions to be with the older children, with activities suitable for the 18 month - 3 age group. We will accept children into the younger toddler's session the Tuesday following their first birthday provided it is term time, and we have a space. Further details and registration forms are available from me or at Toddler group sessions.

If you are new to the village or have a child between the ages of 18 months and 3 years, our older toddler sessions are Monday, Thursday and Friday mornings 10 - 11.30 and Monday and Friday afternoons 1.30 - 3.00. Call in at any session and speak to the supervisors.

FROM YOUR DISTRICT COUNCILLOR:

The local District Council By-Elections held on 5th May 1988 meant that I was returned unopposed to represent Bar Hill, Oakington and Westwick.

I would like to thank you all for having confidence in me and the things I have been able to contribute to the Parish in the last six months.

This year I shall be serving on the Housing Committee and the General Purposes Committee. This enables your two Councillors to cover four out of the seven committees - with Mr. Green serving on the Environmental Services and Health Committee and the Finance and Staffing Committee.

I hope to continue to work for the Community and to try to remain aware of all the joys and difficulties of village life.

Too often I am not called upon until difficulties arise. Please let me know sometimes of the things that go right too, and of all the positive aspects and wide ranging interests of village life.

Jennifer Jones (CH 80350)

BAR HILL COLTS - END OF SEASON EVENTS

DADS GAME - Bar Hill Colts Dads V Nick Fordhams II
Last year Bar Hill's dads won this game but they couldn't quite manage to retain their hold on the cup. However, funds were raised for charity and everyone enjoyed the afternoon (although at the final whistle one or two dads looked to be in some pain!).

At the end of season disco/presentation evening the following awards were presented by sponsors Domino and Kitchen Range (who will hopefully both continue their sponsorship), Graham Scarffe of Cambridge United and Dave Smith from the Colts League.

	Player of the Year	Managers Player
U-8	Craig Minchcliffe	Martin Teodorczyk
U-9	Matthew Tarrant	Simon Morley
U-10	Ben Potter	James McCunn
U-11	Ben Irpey/Paul Morris	Lee Croxson
U-12	Kevin Sargeant	James Circuit
U-13	David Wilkinson/Chris Tabbitt	Ben Barker
U-14	Matthew Pope	Andrew Hodgkinson

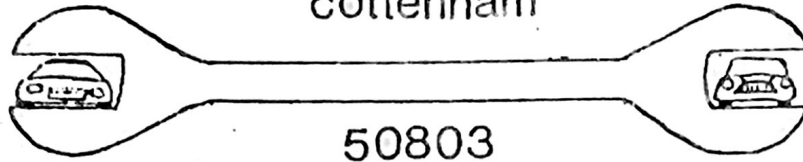

Additional Awards: Stonewheel Trophy: Jonathon Godney
U-14 most improved: Chris Bell
U-14 top goalscorer: Kevin Leach

We shall be shortly be signing up players for next season when we will have five or possibly six league teams, U10 - U16. (The league are for the first time considering an U-10 league.) Our new U-11 team will be managed by Nick Potter and sponsored by Domino Printing. Anyone interested in Bar Hill Colts should 'phone me on 60702.

AN OPEN LETTER TO ALL RESIDENTS FROM YOUR LOCAL COUNTY COUNCILLOR

Dear Resident,

The County Council's Social Services Department which has an annual budget of over £34 million has been undertaking a review of its policy on the care of children in Residential Homes and Fostering throughout the County. The review is nearing completion and its proposals will go before the Committee during the summer for consideration and approval. There are some 900 children whose ages range from birth to 18 in the area of the Local Authority and approximately 25% of the Social Services budget is spent on their care. About 700 children are fostered and depending on the needs of the individual child Foster Parents can receive up to £60-£70 per week. The remainder are in Residential Care Establishments throughout the County, the cost of this residential care varies but it can be as high as £360-£370 per week. The County also accommodates children referred by the courts to Secure Accommodation Home north of Peterborough where costs are significantly higher, Cambridgeshire has above average cares of children in care compared to other County Councils, it also keeps a register of children at risk and in recent years between 200 and 300 children have been added to this register each year. The review looks carefully at all these factors to see how best the service may meet the demands placed on it by the community.

Legislation comes into force next year which enables Local Authorities to put some services out to local tender, amongst services to be included in this legislation are some aspects of cleaning, maintenance of vehicles and grounds, these to be phased in over a number of years. The County Council will be preparing detailed Tender Contracts in readiness for the legislation. Local Authorities will tender for work in direct competition with the private sector on an equal basis with no hidden subsidies. The County Council already runs a direct labour organisation with competitive tendering in relation to many of its Highway activities. The new legislation will be a natural extension of this and will enable the Local Authorities to keep careful checks that services provided are at the most efficient level.

If anyone wishes to contact me please telephone 'Caroline' CH 80975 or write to Councillor John Reynolds, 4 Pettitts Close, Dry Drayton.

Yours sincerely,

J. E. REYNOLDS

SOME THOUGHTS ON LEAVING BAR HILL

After nearly 20 years in Bar Hill we obviously leave with some regrets. When we arrived here in August 1968 the school was a small block consisting of the two halls and four classrooms, and that was still unfinished. Keymarkets was about to open and was to be the only shop at that time. The newsagents functioned from a house in Gladeside and there was no Post Office. Neither The Fox, the Hotel, Church Centre or Health Centre had been built or even started. Robin Close and Gladeside, Acorn Avenue and Almond Grove, were the only completed roads although Otter Close and Otter Gardens had been started (soon to be known as "up the hill"). To get out of Bar Hill on the A604 one literally "diced with death" queuing up to join the traffic into Cambridge. There was to be a serious accident when a car ploughed into the bus queue waiting on the A604 before the Flyover was started.

So we have seen many changes over the last few years and have hopefully played a part in the development of the community spirit of Bar Hill. Although the village has often suffered from adverse press we who live here know that it is the people who make it and there has always been a caring community here.

In the past 20 years we have made many friends and particularly in the last 12 months their friendship and loyalty have helped us to come through difficult times. We had hoped to stay here to see the completion of Bar Hill but this seems a good time to move on. The new headmaster at the school must feel free to develop things in his own way and we must make the break. We felt that this would be impossible whilst we continued to live here.

So on 24th May we shall be moving to 16 Granta Close, Witchford, Nr. Ely. We hope to keep in touch with Bar Hill and much appreciate the kind gesture of the Residents Association in giving us Life Membership. So we shall continue to read the Residents Newsletter and mark off the milestones in the development of the village.

We shall be pleased to see any of you who wish to call on us at Witchford. Suddenly a large part of our life has come to a conclusion and we must put down new roots. Perhaps a good thing if only resulting in a complete "clear out" of 20 years accumulation of odds and ends at 21 Acorn Avenue.

With all good wishes for the future of Bar Hill

Eileen and Bill Norton

Letter to the Editor:

BRIDLEWAY/FOOTPATH - BAR HILL TO DRY DRAYTON

I would like to take the opportunity, through the pages of the Bar Hill News, to voice my full support to the proposal to upgrade the bridgeway/footpath between Bar Hill and Dry Drayton so that it is passable by cycle or on foot throughout the year.

I am writing this letter having today collected a new cycle from Hardwick and been forced to carry it through several inches of mud along the bridleway whilst trying to stay on my feet. With the alternative being a death-defying ride along the A604 at rush hour, this seemed the safer option.

If the bridleway were to be made reasonably "weatherproof" my wife and I would happily cycle to work in Cambridge whenever possible. This would mean two less cars on the A604 every morning and evening (no bad thing) and I feel sure that more residents would consider travelling in this more rewarding and healthy way. Furthermore, and in view of the lack of a footpath around the perimeter of the village a decent surface would doubtless be appreciated by joggers and walkers who could gain year round access to the countryside beyond Dry Drayton without risking life and limb when taking exercise.

So come on Councillors, lets see some action!

John A. Lee

Letter to the Editor:

WITHOUT PREJUDICE

I think that most people would agree that a river-side walk can be an asset to any community. I would not claim that the "ditch" falls into this category but it is a feature of the village which could have been sympathetically developed.

Unfortunately it seems to me that Messrs. Wilcon have missed a great opportunity to be creative. Their Watermead site fronting the "ditch" is most disappointing.

I have seen a copy of the plans and am amazed that some of these dwellings appear to have been built closer to the "ditch" than specified. I am not a qualified surveyor but I would have thought it obvious that slippage of the bank would occur and this has happened in two places (so far!).

It has been suggested that mistakes were made with measuring out the plots at the top and this has carried on down the hill. If this was the case then surely the logical solution would have been to make the gardens slightly smaller.

The result is a vivid contrast - a wide attractive and well co-ordinated grassed area on the Appletrees side which allows people to walk along its length and easy access for maintenance. The Watermead site has none of this, some gardens and a garage driveway have been built right up to the bank.

I'm sure that if I had built a house which did not comply with the original plans, South. Cambs. District Council would have been very efficient in pointing out the error of my ways.

Another cause for concern is the poor quality of the surface drainage outlets which are built into the sides of the bank. These are great lumps of concrete sticking out of the ground and fed by a pipe which has in some cases become detached and therefore allows water to flow under the concrete. This will in time erode more of the bank.

Finally I would like to remind readers of the recent attempt to build three and four storey accommodation near the spine footpath. I think this graphically illustrates the aestheticism of the developers. I'm sure that this application will be re-submitted in a modified form until eventually they are successful.

M.R. Dingley,
91 Appletrees
